## HARD TOP HOIST

No need to call your buddies or risk hurt your back trying to do it the old fashioned way – the Smittybilt Hard Top Hoist lifts and moves your hard top around with ease.

- The most complete hoist system in one box
- Fully adjustable to fit YJ, TJ, JK 2-door and 4-door
- Strong frame features center backbone and multiple fastening points to perfectly balance top
- 200 AMP 1/3 HP AC winch capable of lifting up to 440 lbs
- Exclusive Easy-Glide wheels enables you to move top around the garage
- Rubber stops, cushioned support rollers and coated J-hooks prevent scratches
- Rear window bracket prevents window distortion
- Built-in limit stops and internal brake for safety
- Integrated storage for Freedom Top panels
- Frame, winch and hardware included
